

STOMPING GIRL WINES

2012 HYDE VINEYARD – CARNEROS – CHARDONNAY

Vineyard: Larry Hyde’s vineyard in the Carneros region of Napa is one of the most highly acclaimed vineyards in the area. Planted in 1981, it is situated on gently rolling hills with summer temps cooled by San Pablo Bay and the fog. Ancient creek beds provide drainage to red clay loam and a scattering of rocks. Wente Hyde Field selection and Robert Young clones are planted in our dedicated rows.

Growing Season: Moderate to ideal weather throughout the 2012 growing season led to perfectly balanced high quality fruit. Overall an excellent harvest and vintage.

Tasting Notes: Wonderful intensity, minerality and brightness, for which Hyde Vineyard Chardonnays are renowned, define this wine. Crisp tangerine, white peach and a hint of richer tropical fruits are displayed alongside honeysuckle, floral notes. Naturally handcrafted, this wine is unfinned and unfiltered, clarified only by careful racking before bottling to maintain complexity and suppleness.

Technical Notes

- Hyde Vineyard
- Carneros - Napa
- 100% Chardonnay
- Hand-harvested October 2
